

Håndvaskarmatur - Medium

A sleek, modern Damix faucet with a tall, cylindrical body and a curved spout. The faucet is made of polished metal, likely stainless steel, and features a minimalist design. It has a single-lever handle on top of the main body, which is integrated into the same cylindrical structure. The spout is long and curved, ending in a small, circular aerator. The brand name 'damix' is visible on the lower part of the main body. The background is plain white.
